CONFIGURE YOUR STORE by following these 7 steps to guarantee the quality and safety of the platform.

- 1 Store
- 2 Payment
- 3 Policies
- 4 Customer support
- 5 SEO
- 6 Social networks
- 7 Ready!

1. Store: Includes all possible data, the most complete accounts offer more guarantees.

2. Payment: To start receiving transfers from your potential guests, set up your bank account on the secure **stripe** payment gateway. If you do not have one, you must first create it on **stripe.com**. It is an essential step to be able to use the platform.

Verification process: To activate your account, you must provide the company deeds/ CIF or other supporting documents. Information such as address and administrator data must be identical with the one you have completed your form.

3. Policies: Enter your refund, cancellation, return or exchange policies. If you prefer, you can include a link to the page that includes this information on your website

4. Customer support: Include your contact information to resolve possible questions about your conditions.

5. SEO: We will promote the platform in all available media and network of contacts and influencers, but it is important that you take a few minutes to complete this section to gain visibility.

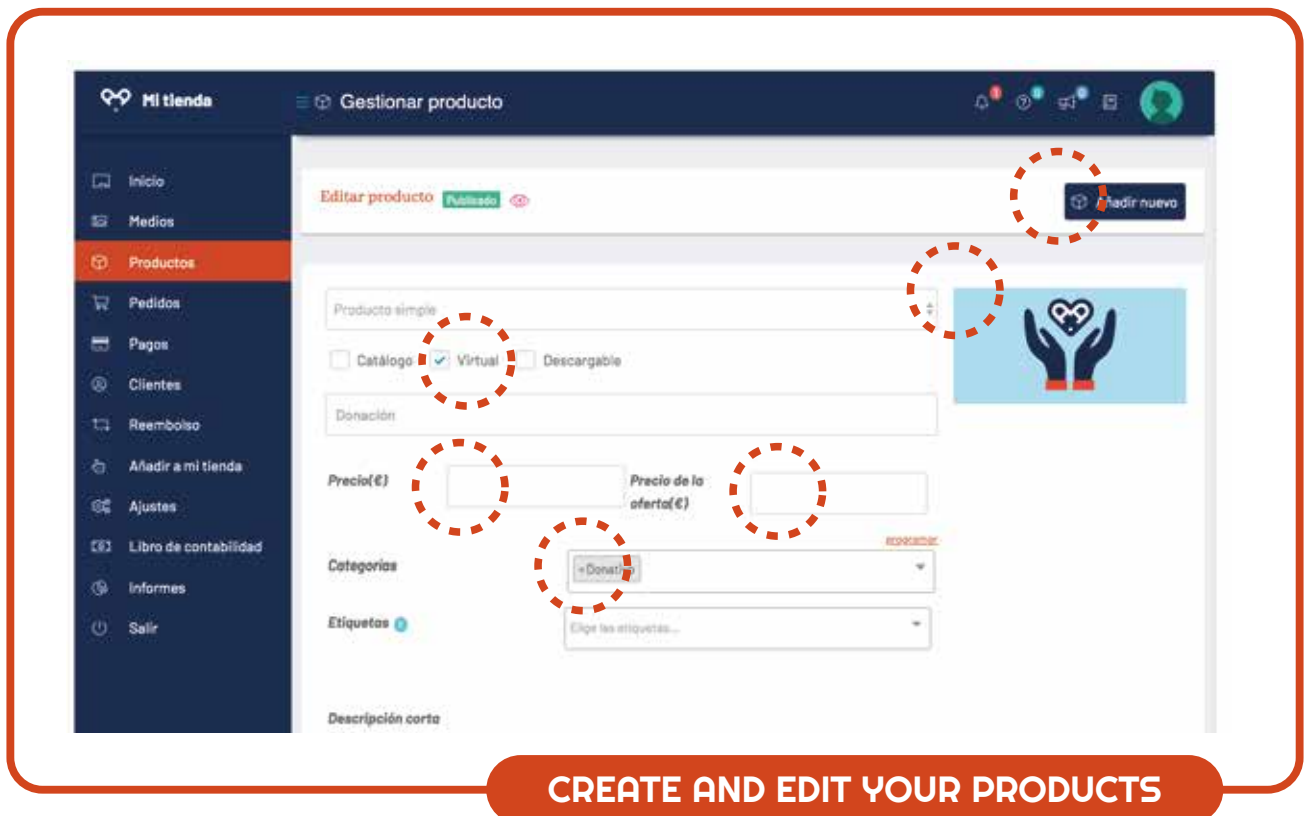

6. Social networks: Configure your social networks and facilitate the dissemination of the initiative. Spread the word globally, anybody can help!

WE HELP YOU TO SHARE AND PROMOTE

We recommend to create **3 TYPES OF PRODUCTS**

DONATION

Transfer that guests can do **voluntarily** without expecting anything in return. Minimum amount to be defined: € 10

DISCOUNT VOUCHERS

Discount voucher that guests can buy in advance paying now and getting the discount later. We recommend: Pay € X now and get a € 2X discount on your future stay. Example: Pay € 20 and get € 40 discount on your future stay.

EXPERIENCE PACKS

Romantic, Gourmet, Wellness or Adventure Pack Vouchers: experiences that our future guests are looking forward to enjoying when all this finishes. We recommend: 3X2 Nights Stay Pack. Check with us to get more out of your Vouchers. You will be able to monitor the performance.
